Palisades Power Plant
Warning Sirens

The public warning system sirens around our Palisades Power Plant sound in the event of severe weather, a nuclear incident or other emergencies requiring shelter or evacuation.

Please do not act on rumor. If the sirens sound, tune to any of the area radio stations listed below for information and emergency instructions:

WCSY-AM 940
WCSY-FM 103.7
WHFB-AM 1060
WHFB-FM 99.9

The public warning system sirens are tested at noon on the second Sunday of each month.

Tours of Palisades Power Plant are available by appointment. Contact the Palisades Communications Office at 269-764-2333.

WELCOME

The South Haven Area Chamber of Commerce is pleased to welcome you to Southwest Michigan. Located on the Lake Michigan Shoreline, the South Haven area has emerged as an attractive and vibrant region to work, live and play. South Haven is characterized by its beauty, charm, uniqueness, rich maritime history and agricultural and tourism heritage. It is further complimented by its vast natural resources and rapidly flourishing business sector and strong emphasis on family and community. With its central location and easy access to larger urban areas, the South Haven area is an ideal destination for visitors, business owners, residents and those considering relocation.

The region offers a gamut of activities year-round including: boating, golfing, hiking, biking, skiing, fishing, festivals, farm markets, shopping, dining, live theater, antiquing and beachcombing, among many others. Outdoor living is one of South Haven's favorite pastimes and is spurred by the miles of Lake Michigan shoreline, sugar-sand beaches, seemingly-endless walking, hiking and biking trails, and the heritage water trail of the Black River.

The South Haven area has emerged as the ideal location for those seeking the ultimate in mid-west lakeshore living enjoying the finest of all four seasons!
